Arizona Pesticide Safety Train-the-Trainer Workshop

Safford, Arizona

February 23, 2016 (English)

8:30 a.m. – 4:30 p.m.

Course Description. Through this workshop, attendees will become qualified to provide Worker Protection Standard pesticide safety training to agricultural workers and pesticide handlers in Arizona.

This course is ideal for growers, supervisors, labor contractors, health care providers, outreach educators and others who will provide safety information to people who handle pesticides or work in areas where pesticides are used.

Workshop Format. Sessions will cover pesticide labels, personal protective equipment, pesticide-related health issues, and training requirements. Participants will receive an instructor's handbook, EPA-approved materials and other useful resources.

A variety of hands-on training techniques and group activities will be used through the course to demonstrate ways to extend pesticide safety information to pesticide handlers and agricultural fieldworkers in an interactive and effective manner.

Registration is **FREE,** however **SPACE IS LIMITED TO 30 people**. Please register early to reserve a space in the workshop and to ensure that you will receive handout materials. A registration form has been provided on the next page.

Continuing Education Credit will be available for Arizona licensed agricultural pesticide applicators (PUPs, PUCs, PUGs) and Pest Control Advisors in attendance to receive their trainer's certificate.
