SEASONAL PASS INSTRUCTIONS

1. A Self Inspection Seasonal Pass is required for all exhibition cattle, sheep and goats owned by Arizona residents and exhibited in Arizona according to state law (ARS 3-1346, Section R3-2-703).

2. To receive a Seasonal Pass, the exhibitor must complete an application form. To have an application mailed or faxed to you, call the Self Inspection desk at (602) 542-6407. The form is also available to download from our department web site http://agriculture.az.gov , under the heading "FORMS". Scroll down to "SELF INSPECTION" and choose "SEASONAL PASS APPLICATION". Each exhibitor must be issued their own Pass. Each exhibitor is allowed to list up to TEN animals on a Pass.

3. The Seasonal Pass application may include 1 to 10 animals. It must include the type of animal, breed, sex, color or markings, permanent ID such as a brand, eartag number, tattoo or microchip. The exhibitor must also provide proof of ownership of each animal by including an Arizona Self Inspection Certificate number, an Arizona Livestock Officer's Inspection Certificate number, a Health Certificate number and Import number if the animal is purchased out of state AND a bill of sale for each animal. If no proof of ownership can be obtained, a Livestock Animal Health Officer's inspection may be scheduled by calling (602) 542-0872 or 1-800-294-0305 outside of Maricopa County. A Scrapies number and a Premises identification number are requested for sheep and goats. Swine may NOT be issued a Seasonal Pass, but be inspected by a Livestock Animal Health Officer.

4. The fee for a Seasonal Pass is $5.00 for up to 10 animals. Add $.50 per head for each animal over ten. Payment may be in the form of a check or money order payable to the Arizona Department of Agriculture or ADA. The Seasonal Pass will be issued upon receipt of the application AND the fee and is valid for one year from date of issue. New animals may NOT be added on to existing Passes. A new application and fee must be provided and a new Pass will be issued.

5. The official, numbered Seasonal Pass issued by the department must accompany the animals whenever they are moved. In the space provided, the exhibitor shall write the date of movement, name of exhibition and location and return date for each animal. If an animal or animals are sold, the holder of the pass shall return the completed pass (or a copy if animals which are sold are listed on the Pass with others that are not sold) to the Arizona Department of Agriculture within two weeks of the sale or termination of the animal, or at the end of the show season or end of the issuing year if an animal is retained. If an animal is sold, the Seasonal Pass holder must provide the buyer's name, address and phone number in the space provided on the Pass.

Thank you for your cooperation. If you have any questions, please call the Department of Animal Services Livestock Self Inspection desk at (602) 542-6407.
