Application for Blue Seal Permit

Read both sides before completing this application. In order for a permit to be issued, all information requested must be completely filled out and is subject to verification. All entries must be in ink or typed. It is unlawful to falsify any application, which grants permission to obtain a permit to remove native plants. **Never sign a blank application.**

NOTE: If property has been purchased within the last 18 months, a copy of the tax assessment or deed records must be presented with this application.

I hereby certify that the plants listed on this application are in my cultivated or landscaped yard and are not from their original or natural growing site.

The intended receiver must pick up the seals and string at one of the offices listed on the back of this form.

I acknowledge that I have received the following number of seals and string:

_____ Seals _____ String

Signature _____ Date _____

Recently the Arizona State Legislature amended Arizona State Law Chapter 7 Article 1 (3-906 B) to read as follows:

In addition to the requirements prescribed by this section, a person who moves or salvages a saguaro cactus (cereus giganteus) that is more than four feet tall, from other than its original growing location, must purchase a permit, tag and seal from the department. A person may move a saguaro cactus without obtaining a permit, tag and seal only if the person maintains documentation of a previous legal movement or if the department has record of a previous legal movement of the cactus by the person. Saguaro cacti that are propagated by humans are exempt from the requirements of this subsection.

As a home owner, you have the right to remove, sell or give away any native plant growing on your property. However, any Saguaro over four (4) feet tall must have a movement permit obtained from the Arizona Department of Agriculture.

Native plants, other than the Saguaro, that have had prior movement permits do not require a new permit. If requested the Arizona Department of Agriculture will issue a blue seal permit for native plants (except Saguaro) that have had prior movement permits. The cost would be a permit fee of \$7.00 and \$.15 for each seal.

The following is a partial list of some of the generally accepted common names of Arizona native plants. Please use these names as accurately as possible. Be sure that the native plants that you plan to remove are actually on the land described on this application.

Cactus

Barrel	Cholla	Hedgehog	Mammillaria	Night-blooming Cereus
Coryphantha	Prickly Pear	Saguaro		

Other Plants

Agave (Century Plant)	Desert Spoon (Sotol)	Ironwood Tree
Joshua Tree	Mesquite	Ocotillo
Palo Verde	Yucca
