New Brand/Brand Amendment Application

Complete Application – includes names of all owners specified by “OR” or “AND”; Mailing Address; Telephone Number(s); Email Address (if applicable); up to 5 **clearly** drawn brand designs; Earmark Description (Optional); Range Location; County; **Notarized Signatures of all specified owners** witnessed by either a Notary Public, Justice of the Peace, a Judge of a court of record, a Clerk or deputy Clerk of a Court having a seal, a Recorder of Deeds, a County Recorder, or Livestock Officer. If all parties involved in the application are unable to appear for acknowledgement at the same time, a separate acknowledgement may be attached for additional signatures. If ownership is being distributed to a business entity, you must provide a copy of the business organizational papers (i.e. Articles of Incorporation or Articles of Organization).

Application Fee – The fee to register a new brand or amend an existing brand is \$75.00. However, the brand must be researched and go through a 30 day Public Notice. Please **Do Not** send any money until you receive a letter of approval from the Brand Department.

Steps to a Speedy Registration – To increase the likelihood of registering the requested brand design please keep in mind the following:

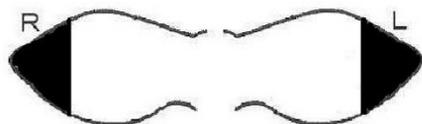

- Provide up to 5 **unique** brand designs, clearly drawn in black ink. No more than five (5) brand designs will be considered per application and will be considered 1st Choice, 2nd Choice, 3rd Choice, etc., as shown on the form.
- Please look through the online Brand Book which can be found on our website at https://agriculture.az.gov/sites/default/files/BrandsBook2014_0.pdf to make sure your desired brand is not an exact duplicate of, or in conflict with, an existing registered brand. If an alteration can be made to an existing brand that would then match your requested brand, it shall be considered a conflict.
- Single letter or number brand, or enclosed brand designs will be rejected and refused.
- Brand location must be specified in a single location (i.e. left rib; right hip, etc.). However, please be flexible in your brand location. While we may not be able to approve the brand in the requested location, we might be able to approve it in an alternate location.
- If this is an amendment, please write the Brand Number in the 1st Choice Box.** An amendment can be used to add animals or add earmarks to a brand. It **cannot** change the location of an existing brand as that constitutes a ***new*** brand.

Public Notice of Proposed Brands – If no conflicts with existing brands are found, your brand will be posted on our official site <http://searchagriculture.az.gov/docs/brandsnotice.pdf>.

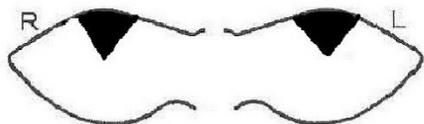

After Approval - If application fee is not received or postmarked by ***due date***, which is 17 days after written notice of approval, the requested brand will be **forfeit**. **DO NOT** brand your livestock until you have received your brand certificate.
