

Brands Listening Session

Governor Ducey signed Executive Order 2015-01 on January 5th. This order, to promote job creation and more customer oriented agencies, requires all state agencies provide an evaluation of their rules with recommendations for amending or repealing those that inhibit economic development, are burdensome, antiquated, contradictory etc.

April 10, 2015, 1 pm, Room 206

**Arizona Department of Agriculture, 1688 W
Adams St., Phoenix**

This listening session is to gather input on:

Suggestions on current brand regulations impacting stakeholder's
businesses

Issues with current service delivery and suggestions for improvements

Regulatory priorities for the Issuance of Brands

Please promote this event to others to help us improve our processes, enhance overall quality of programs, and help in developing meaningful performance measures for improvement both short and long-term.
