STATEMENT OF LAWFUL PRESENCE TO APPLY FOR STATE ISSUED CERTIFICATION/LICENSE

Arizona Revised Statutes § 41-1080 requires an individual applying for a license issued by the Department—(i) for the purpose of operating a business in Arizona or (ii) to someone who provides a service to any person where the license is necessary in performing that service—must submit certain documentation that satisfactorily demonstrates that the applicant is lawfully present in the United States. If the documentation does not contain a photograph of the applicant, the applicant must also present a government issued document that contains a photograph.

Directions: All individual applicants for a license or certification covered by these laws must complete this form and provide evidence by submitting a copy (front and back, if any) of one or more documents from the lists below declaring your citizenship or lawful alien status with your application. If your documentation of lawful presence does not have a photograph, you must provide a government issued id with a photograph. If the Department has evidence you have previously submitted proof of United States citizenship or a non-expiring work authorization issued by the federal government, you do not have to do so again. Please DO NOT provide a copy of your Social Security Card.
