

## **Pesticide Safety Handler and Worker Trainer**

Pursuant to [A.A.C. R3-3-1003\(E\)](#), an individual who is certified as a Pest Control Advisor (PCA) or Certified Applicator may provide Worker Protection Standard (WPS) Pesticide Safety Training for one (1) year as long as their license is valid. Thereafter, the training certificate may be renewed for three (3) years upon completion of the Arizona Department of Agriculture's pesticide safety training program.

To apply for certification as a WPS Pesticide Safety Trainer, please complete and submit the [Trainer Provider Agreement](#).
