Application for the Registration of Pesticides
ATTENTION: REGISTRATION FEES REDUCED AS OF JULY 1, 2019

New Product Registration

Steps for a Speedy Registration:

Identify if the product(s) is an Agricultural Use Pesticide or Non-Agricultural Use Pesticide. Pursuant to:

Arizona Administrative Code (A.A.C.) R18-6-101 (1) – “**Agricultural Use Pesticide**” is defined as any pesticide intended for use directly on a crop. An agricultural use pesticide does not include animal pesticide ear tags or pesticides intended solely for use within and around a confined structure.

A.A.C. R18-6-101 (2) – “**Crop**” is defined as any plant, animal, plant product, or animal product produced for commercial or research purposes.

Has the Active Ingredient (AI) been approved by the Arizona Department of Environmental Quality (ADEQ)?

If yes, please include copy of ADEQ AI Approval Letter with remaining application components.

If no, please submit the AI to ADEQ for ADEQ AI Approval. Do NOT continue with AZDA submittal until ADEQ AI Approval Letter is obtained. For questions contact ADEQ at aireg@azdeq.gov or 602-771-4615

Product Registration (product has been legally registered with the AZDA previously or ADEQ Approval Letter is Attached)

Does more than one company appear on the product label(s)?

If yes, please submit a separate application for each company appearing on the product label(s).

One copy of the “field” label and the safety data sheet (SDS) for each pesticide brand must be submitted with the Application for Registration of Pesticide(s).

The fee to a register pesticide product is \$100.00 per product per year. See the following examples:

One product for one year = \$100.00

One product for two years = \$200.00

Two products for one year = \$200.00

Two products for two years = \$400.00

In addition to the information above, the applicant must provide the following (see application)

- Name and Address of Applicant
- Name of Company appearing on the label(s)
- EPA Registration Number for each product.
- Brand and Name of Product(s)
- Federal Tax ID No.
- Printed Name, Title, Signature, and Contact Information of the registrant including Phone, Email, and Fax (if available).

Please be aware all product(s) must have the same expiration date for any one company registering product(s).

Application is hereby made for a certificate of registration for the listed pesticides pursuant to A.R.S. § 3-351. Enclosed is one copy of the "field" label and one Safety Data Sheet (SDS) for each pesticide brand.

I desire to register this/these product(s) for: One (1) year (\$100) per product or Two (2) years (\$200) per product.

For existing licensees: Product registration cannot extend beyond the expiration date of your license.

\$ _____ is enclosed to cover the fee of \$100 per pesticide brand for each year of the registration period.

By signing this application, I hereby certify the label(s) submitted for the pesticides listed on this application are current, accurate, and have been approved by the United States Environmental Protection Agency (EPA), as applicable. Furthermore, the information contained herein is true and accurate to the best of my knowledge and I understand providing false information to the AZDA is a felony in Arizona.
