

Poultry Entry Requirements

All Poultry Entering Arizona Need:

Certificate of Veterinary Inspection (CVI)

- Issued by an Accredited II Veterinarian
- Valid for 30 days
- Copies of CVI must have an original signature
- An entry permit number is not required

OR

National Poultry Improvement Plan 9-3 Form

The CVI or 9-3 must accompany the birds at the time of entry into Arizona.

Specific Disease Testing Requirements:

There are no specific entry requirements for Poultry providing they are healthy and do not originate from a quarantine area.

In the event of an Avian Disease outbreak, there may be additional Arizona entry requirements for live birds and hatching eggs.
