

Psittacine, Budgerigars, Parakeet Entry Requirements

All Psittacine, Budgerigars, and Parakeets Entering Arizona Need:

Certificate of Veterinary Inspection (CVI)

- Issued by an Accredited II Veterinarian
- Valid for 30 days
- Copies of CVI must have an original signature
- The CVI must accompany the birds at the time of entry into Arizona
- Entry permit number not required
- CVI statement must include the following statements:

“The bird is not infected with the agent that causes Avian Chlamyidosis”

“The bird was not exposed to birds known to be infected with Avian Chlamyidosis within the last 30 days.”

There are no specific disease testing requirements prior to entry into Arizona.

For more information call or email the State Veterinarian's Office : **602-542-4293**
