

Swine Entry Requirements

All Swine Prior to Entry into Arizona Need:

Entry Permit Number

Issued by calling **602-542-4293**

8 a.m. to 5 p.m. Mon to Fri AZ Time

Valid for 30 days

No permit required if using an ECVI, if using paper CVI Arizona will still require a permit number to enter, which will start with IP.

Certificate of Veterinary Inspection (CVI)

Issued by an Accredited II Veterinarian

Valid for **30** days

Paper Copies of CVI must have an original signature

All Official IDs are required and must be listed on the CVI or as an attachment

The CVI must include the following verified statements:

“The Swine listed on this CVI have not been fed garbage.”

“The Swine listed on this CVI have not been vaccinated for Pseudorabies.”

Swine include Commercial, Show, Pet, Companion, including Potbelly and Minipigs.

For more information call or email the State

Veterinarian’s Office : **602-542-4293**

cvi@azda.gov

Official Identification for Swine include:

Official Federal Individual Ear Tag (840, USDA, NUES)

An Ear Notch is acceptable identification only if registered with a breed registry and the pig has premise id tattoo in the ear. Proof of breed registry and ear tattoo must be documented on or attached to the CVI.

Slaughter Swine must have USDA backtags.

(Potbelly or Minipigs ONLY) 840 electronic im-plants or microchips that are ISO 11784/85 compliant with a premise ID listed on CVI.

Feral Swine may not be imported into Arizona.
