Worker Protection Standard

Complete Pesticide Safety Training Acknowledgement (Handler)

I, _____ have received training in general and pesticide handling safety. The training I received covered all of the following topics:

- ☐ Hazards of pesticides resulting from toxicity and exposure, including acute effects, chronic effects, delayed effects and increased sensitivity.
- ☐ Routes by which pesticides enter the body.
- ☐ Signs and symptoms of common types of pesticide poisoning.
- ☐ Emergency first aid for pesticide injuries or poisonings.
- ☐ How to obtain emergency medical care.
- ☐ Routine and emergency body decontamination procedures, including emergency eye flushing techniques.
- ☐ Warnings about taking pesticides or pesticide containers home.
- ☐ The format and meaning of information contained on pesticide labels and in labeling, including safety information such as precautionary statements about human health hazards.
- ☐ Need for and appropriate use of personal protective equipment.
- ☐ Prevention, recognition, and first aid treatment of heat-related illness.
- ☐ Safety requirements of handling, transporting, storing and disposing of pesticides, including general procedures for spill cleanup.
- ☐ Environmental concerns such as drift, runoff and potential impact on wildlife.
- ☐ Pesticide Handler Training requirements of the Worker Protection Standard, which are applicable to handler employers for the protection of handlers and others, including the prohibition against applying pesticides in a manner that will cause contact with workers or others individuals, the requirement to use personal protective equipment, the provisions for training and decontamination, and protection against retaliatory acts.
- ☐ How to report violations to the Arizona Department of Agriculture, including providing the Department's toll-free pesticide hotline telephone number. The Arizona Department of Agriculture Pesticide Hotline number is **800-423-8876**.
