**ADDITIONAL LOCATIONS:**

Provide a list of all additional locations you wish to register by completing the form below. Complete additional forms as necessary to register all locations.

Note the Following:

- GPS coordinates for each field and building shall be provided, in decimal degrees, to at least five decimal places (for example, 33.54321).
- A map is required of all registered locations and must include all items listed in the *Instructions for Creating Maps*.
- Location IDs used in the tables **MUST** be consistent on all future report forms.
- A unique Location ID name must be supplied for location. Location ID names must be unique in nature and not repeated in your operation, even if located in a separate area of the state.
- If, after a license has been issued, any request to add locations, relocate existing locations will need to be requested by completing and submitting a site modification form (**HempSiteModification**), and include the site modification fee of \$300. To remove a location from the license, complete and submit a site modification form. No fee is required to remove a location, or if additions or relocations are submitted during the renewal process.
