INTRODUCTION

ACRC GRANT PROGRAM

The Arizona Citrus Research Council (“ACRC”) has established a Grant program to assist Arizona Citrus producers in identifying solutions to production issues. All research findings, abstracts, and reports resulting from funds awarded through this grant process shall be made available to Arizona Citrus producers through the ACRC. The ACRC is exempt from the provisions of Title 41, Chapter 24, Arizona Revised Statutes, relating to grants pursuant to A.R.S. § 41-2706(B)(5) and instead awards grants according to the competitive grant solicitation requirements of A.A.C. R3-9-506 (attached).

FUNDING SOURCE

Funds for the ACRC grants are available primarily from per carton assessments on citrus grown in Arizona, pursuant to A.R.S. §3-468 and §3-468.04, as well as other monies in the ACRC fund.

For this grant cycle, approximately \$50,000 is available for the ACRC grants. The ACRC may award grants for multiple year projects. ACRC may also award multiple grants from these funds contingent upon the availability of funds at the time of award. The ACRC expects to issue Grant awards in April of 2023.
