An agent must submit documentation of his authority to act on behalf of the landowner.

As a landowner, you have the right to destroy or remove any plant growing from your land, but if you are going to destroy these plants, you must notify the Arizona Department of Agriculture before you plan to initiate this action. You also have the right to sell or give away any plant growing on your land. However, no person may legally transport protected native plants from any land without first obtaining a permit from the Arizona Department of Agriculture.

---

**State and Federal land leased to you does not give you the authority to remove and transport protected plants unless written permission is given by the land management agency.**

Native plant permits are priced at \$7.00 and seals are 15¢ each. Tags are priced as follows:

Saguaro	\$8.00
Other protected native plants and trees	\$6.00
