Arizona Pesticide Safety Train-the-Trainer Workshop

Full Day Course For New Pesticide Safety Trainers

Pipe Spring, Arizona

Wednesday, March 12, 2014

Course Description. This workshop is hosted by The Kaibab Paiute Tribe and will be presented by staff of the Arizona Department of Agriculture. Through this course, attendees will become qualified to provide Worker Protection Standard pesticide safety training in Arizona through March 2017.

This course is ideal for farm owners, supervisors, health care providers, outreach educators, department of forestry personnel, labor contractors and others who will provide safety information to people who work directly with pesticides or in areas where pesticides have been applied. Participants will receive an instructor's handbook, training materials and other useful resources.

Workshop Format. This full-day course will include sessions on:

- Pesticide Labels
- Federal and Arizona Pesticide Regulations
- Safe Pesticide Handling Practices
- Environmental Protection
- Reducing Pesticide Exposure and Responding to Pesticide Emergencies
- Teaching Techniques and Trainer Recordkeeping Systems

Registration is FREE, however **space is limited to 30 people**. Please register early to reserve a space in the workshop. A registration form has been provided on the next page.

Continuing Education Credit will be available for Arizona licensed agricultural pesticide applicators (PUPs, PUCs) and Pest Control Advisors in attendance to receive their trainer's certificate. Arizona Structural Pest Control hours will also be available.
